## CONTEXTUALIZATION

Dean Gilliland defines contextualization as "a tool to enable insofar as it is humanly possible, an understanding of what it means that Jesus Christ, the Word, is authentically experienced in each and every human situation." - *The Evangelical Dictionary of World Missions*

- > People have varying world perspectives which impact how they perceive themselves, the world, and the data which is communicated to them.
- > Biblical contextualization is modeled in the ministries of Jesus and Paul.
