 Mr. J.D. Vance, Vice President

Dear President Trump,
 Greetings from the Kingdom of Iran.

The recent success of your distinguished candidacy in the Presidential election stands as a profound testament to the principles of democracy and the resilient spirit of the American people. We, in the Pahlavi platform, devoted to the rich cultural heritage and philanthropic endeavor of the Kingdom of Iran, extend our heartfelt congratulations on this significant achievement.

We also wish to commend your astute selection of Mr. J.D. Vance as your Vice President, a choice that exemplifies strength and excellence. His notable qualifications and fervent advocacy for democratic ideals inspire hope for a future marked by patriotism and unity.

Our support for your leadership is deeply rooted in the venerable traditions established by Cyrus the Great, the illustrious "King of Kings," whose legacy as a champion of human rights continues to inspire us today. Under his reign, the creation of the earliest charter of human rights resonates powerfully with the ideals upheld by America's founding fathers, including the visionary Thomas Jefferson. Drawing from this ancient beacon of freedom, Jefferson crafted the U.S. Constitution with an unwavering commitment to liberty, reflecting the shared values that unite our nations.

In the spirit of wise decisions made by historical figures such as Reza Shah the Great, Shahanshah Arjomand, and Reza Shah II, we trust that your leadership will herald positive change and prosperity for both our nations and the wider world.

In the spirit of your noble mission, we have secured remarkable coverage in leading newspapers for the past forty six years.

The Iranian diaspora fervently implores you, in your foremost action upon assuming the presidency, to restore the Iranian embassy to its rightful stewardship under the current Pahlavi of Iran, His Majesty Reza Shah II, Beholder of Law, and to empower the exiled provisional government to act by his directives.

As a known fact throughout the world, Iran is not the Islamic Republic and based on that rational, we firmly believe that our collaborative efforts will catalyze garnering increased support for your administration and advancing the noble goals of unity and mutual respect among the Iranian and American peoples.

Respectfully,
 Judiciary & Fairness Bahamad
