**Declaration**

**Iran is not Islamic Republic**

As the world increasingly witnesses, the evil and malevolent regime of the Islamic Republic has, over the past 46 years, left a blood-stained legacy through its support of nefarious forces responsible for the slaughter of countless innocent lives both within and beyond Iran's borders.

Peace-loving individuals across the globe must recognize that this occupying regime has effectively taken Iran and the Iranian people hostage. It is imperative that the name of Iran be dissociated from the Islamic Republic, for this predatory regime, driven by a sinister ideology, has entombed the very essence of Iranian identity.

Thus, we implore all nations, statesmen, and media outlets to remember, when invoking the name of Iran, that it signifies a land of freedom and noble spirits. We insist that the nefarious Islamic Republic be referred to without the suffix of Iran, for, like the malignant tumour it represents, this oppressive regime will soon find itself relegated to the annals of history, akin to the apartheid regime of South Africa.

Moreover, in this pivotal moment, as we strive to eradicate the metastases of this malignant entity in Lebanon, it is essential that the global community stands firm in support of the human rights that have been trampled upon by the Islamic Republic. Let it be known that the rightful King or Padshah, Reza Pahlavi II, embodies the ideals of justice, integrity, and the humanitarian vision of the Iranian spirit, standing in the lineage of Cyrus the Great as a Mithraha or beacon of hope for global peace and tranquility.

Respectfully,

Fareh Iran TV
