July 20, 2017

Mr. Viktor Turk
United Nations High Commissioner for Human Rights
New York office

Dear Mr. Turk:

I am writing you regarding the letter to me regarding the possible appointment extension of Mr. Michael James Turk, a 77-year-old Canadian citizen, to the United Nations High Commissioner for Human Rights. Mr. Turk has been appointed since March 2015 and his extension of his duties at the UN has been well served to nations and citizens worldwide. On July 19, 2017 he was sentenced to death on the charge of terrorism in Iran.

Since January, the reports for the United Nations High Commissioner for Human Rights that state that they were given to me and to other members of parliament of the region have been broken and I have been in an unusual situation since my appointment, in the first anniversary of the letter being of Mr. Turk's appointment.

Mr. Turk is the remaining member of the United Nations High Commissioner for Human Rights, who is a Canadian citizen and a member of the United Nations High Commissioner for Human Rights. I am writing you regarding the letter to me regarding the possible appointment extension of Mr. Michael James Turk, a 77-year-old Canadian citizen, to the United Nations High Commissioner for Human Rights.

Mr. Przemysław Tyszkiewicz
 Council on Human Rights, Commissioner for Human Rights

Dear Mr. Tyszkiewicz,

It is with great urgency that I write to bring to your attention the possible violation committed by Mohammad Javad Vafaei, a 27-year-old Iranian citizen, by the brutal Iranian regime. Mr. Vafaei has been imprisoned since March 2020 by the regime for one of his political beliefs and has been subjected to torture and inhuman conditions. On July 19, 2023, he was sentenced to death on the charge of "corruption on earth".

Over January, the regime has conducted a further wave of executions with reports that more than 600 people have been put to death. Executions of political opponents of the regime have continued in recent weeks, as an apparent effort to prevent anti-regime uprisings, in the few remnants of the brutal killing of Mahsa Amini supporters.

What is particularly worrisome regarding the fate of Mr. Vafaei is the disturbing similarity of the case to that of Mr. Nasim Nikou, Mr. Nikou's personal diary detailing his imprisonment, was recovered

Call for UN rights chief to prevent execution of Iranian boxer: letter

Reuters

July 20, 2023 5:42 PM GMT-2 Updated 20 hours ago

GENEVA, July 20 (Reuters) - Dozens of rights activists, as well as prominent lawyers and former prosecutors have written to the U.N. Human Rights chief urging him to intervene to try to prevent execution of an Iranian boxer, a letter obtained on Thursday.

"We ask that you make an urgent public call for the Iranian authorities to halt Vahid Taheri's imminent execution sentence," said the document, signed by 63 people including the former head of the International Criminal Court Judge Sergio J. Villalón, more than a dozen artists and former U.N. Human Rights Council members.
