Statement by the Secretary-General – on the situation in the Middle East

I am horrified by the reported attack in Gaza on an ambulance convoy outside Al Shifa hospital. The images of bodies strewn on the street outside the hospital are harrowing.

I do not forget the terror attacks committed in Israel by Hamas and the killing, maiming and abductions, including of women and children. All hostages held in Gaza must be released immediately and unconditionally.

Now, for nearly one month, civilians in Gaza, including children and women, have been besieged, denied aid, killed, and bombed out of their homes.

This must stop.
