Human Rights Council (HRC) and its members, including my co-panelists, they hurried all forms of personal attacks and unsubstantiated allegations including false political corruption, receiving bribes and illicit payments to discredit me and undermine the independence of my work.

1. For instance, I have been cited by the UN Committee on a completely incorrect basis. Fully in accordance with the code of conduct, I have never accepted any funding from any individual, organization or state. However, such is the Special Rapporteur's tendency for the winning and corruption of the "opposite" side, which is published in July 2024 that I have received funding from the UN.

2. I completely reject the unsubstantiated allegations that I received any form of financial support from the UN. This was also stated in the conference on 24 April 2024 in Paris. There have been false allegations against me that I have received funding to attend this meeting based on unsubstantiated high-profile payments have been paid to attend such events. It is shocking that these individuals who have no little regard for my integrity and reputation, merely for participation in a conference that was directly relevant to my report the "atrocity crimes".

3. I attended this event in my capacity as a former UN Special Rapporteur to participate in a conference which focused on my report on "atrocity crimes" (which was attached confidentially regarding the conference title is the 10th Anniversary of the 1948 Universal Declaration of Human Rights).
