

JOSEPH R. BIDEN, JR.

July 21, 2024

My Fellow Americans,

Over the past three and a half years, we have made great progress as a Nation.

Today, America has the strongest economy in the world. We've made historic investments in rebuilding our Nation, in lowering prescription drug costs for seniors, and in expanding affordable health care to a record number of Americans. We've provided critically needed care to a million veterans exposed to toxic substances. Passed the first gun safety law in 30 years. Appointed the first African American woman to the Supreme Court. And passed the most significant climate legislation in the history of the world. America has never been better positioned to lead than we are today.

Depression and Democracy. And we've continued and strengthened our alliances around the world.

to stand solely on fulfilling my duties as President of my term.

I will speak to the Nation later this week in more detail about my decision.

For now, let me express my deepest gratitude to all those who have worked so hard to see me reelected. I want to thank Vice President Kamala Harris for being an extraordinary partner in all this work. And let me express my heartfelt appreciation to the American people for the faith and trust you have placed in me.

I believe today what I always have: that there is nothing America can't do — when we do it together. We just have to remember we are the United States of America.

جو بایدن: اجازه دهید عمیقترین سپاس خود را از همه کسانی که برای انتخاب دوباره من تلاش کرده اند ابراز کنم.

Speaker Mike Johnson
@SpeakerJohnson

At this unprecedented juncture in American history, we must be clear about what just happened. The Democrat Party forced the Democrat nominee off the ballot, just over 100 days before the election.

Having invalidated the votes of more than 14 million Americans who selected Joe Biden to be the Democrat nominee for president, the self-proclaimed 'party of democracy' has proven exactly the opposite.

The party's prospects are no better now with Vice President Kamala Harris, who co-owns the disastrous policy failures of the Biden Administration. As second in command and a completely inept border czar, Harris has been a gleeful accomplice — not only in the destruction of American sovereignty, security, and prosperity, but also in the largest political coverup in U.S. history. She has known for as long as anyone of his incapacity to serve.

Regardless of the chaos in the current White House, our adversaries around the globe should be reminded that the U.S. Congress, the U.S. military, and the American people are fully prepared and committed to defend our interests both at home and abroad.

If Joe Biden is not fit to run for President, he is not fit to serve as President. He must resign the office immediately. November 5 cannot arrive fast enough.

I know none of this could have been done without you, the American people. To the millions who have overcome a crisis in a century pandemic and the worst economic crisis since the Great Depression. We've protected and preserved our Democracy. And we've strengthened our alliances around the world.

It has been the greatest honor of my life to serve as your President. And while I have no intention to seek reelection, I believe it is in the best interest of my party and the Nation to stand down and to focus solely on fulfilling my duties as President for the remainder of my term.

I will speak to the Nation later this week in more detail about my decision.
